**Details of Compliment / Complaint (completed by citizen):**

on May 6, 2024, Mark Senti (deceased), was brutally attacked by  
Gavin Smith and Warrick Smith at Ichobods Dockside  
in Melbourne, FL. The entire incident was captured on  
video surveillance. As a result of this attack, Mark  
Senti suffered severe injuries including a broken jaw and  
traumatic brain injury and brain bleed. On January 11, 2025,  
Mark Senti succumbed to his injuries and died. His body  
was found in the Melbourne Harbor Marina.

The Melbourne Police Department grossly mishandled  
the criminal investigation into the May 6, 2024 incident  
and Mr. Senti's subsequent death on January 11, 2025.

The Melbourne P.D. failed to effect an arrest on  
Gavin Smith and Warrick Smith despite Mark Senti's  
wishes and intent to pursue formal charges. The  
video surveillance, witness statements, and severity of  
Mr. Senti's bodily injuries provide clear and sufficient  
probable cause to support arrests for Felony Battery.

officer Hamilton completed a copies request for battery against Warrick Smith and additional charges were prepared for battery against Gavin Smith; however, for reasons that remain unknown, these charges were never formally filed on behalf of Mark Senti.

The Senti family made repeated requests and efforts to communicate with the Melbourne Police Department and provide evidence to ensure justice was pursued. Despite their efforts, they were met with silence, delay, bureaucratic indifference, and an unexplainable finding of no probable cause by Detective Harrison. The decision to close this case as "no probable cause" in the face of clear video evidence and cooperating victims and witnesses reflects gross negligence and a complete disregard for the legal standard of probable cause.

The Senti Family demands an immediate internal investigation and to re-open this case.
